

Spot the Red Flags:

*Is Your IT
Holding You
Back?*

SWIPE LEFT

Your IT setup
might be silently
hurting your
business

*Let's uncover the warning signs
before it's too late.*

01

Your team is constantly
waiting on IT.

Lost hours = lost revenue.

02

Slow Support Response

Help desk feels more like a black hole. *If IT isn't responsive, it's not supportive.*

03

.....

Unclear Billing

Surprise charges and vague invoices. *You deserve transparency*

04

Outdated Systems

Your tech feels stuck in 2015.
Old tools = new risks
